I was falsly incarcerated in berrien County Jail for 2 great bodily harm less than murder Charges from 05/28/2021 to about ~~09/02/2021~~. 09/02/2021. Detective tyler roots took me to the interview room and questioned me about a shooting I had No Knowledge of. Once I extricked my right to remain silent, he then told me I was going to berrien County Jail on 2 Great bodily harm less than murder Charges. I then tried to tell him "I don't know about any shooting" and he ignored me. I was going thru a very hard time in jail. Being so young around all adults had me very terrified and nervous. Knowing I was trully innocent hurt me even more. I was also still in school, I was supposed to be graduating that following year. I was fed Sandwiches for dinner, and I was forced to eat it or I was going to starve. Being falsly incarcerated also dammeged my mental state also. It is very hard for me to sleep, My anxiety is very bad, and I think the police is out to get me. I was beaten Multiple times by inmates and was Scared for my life. I was Crying out for help and No one could save me.

IV. Relief

State briefly and precisely what you want the court to do for you.

I would like to receive a payment for  
every-day I spent in jail innocent.

V. Notice to Plaintiff Regarding Consent

In accordance with the provisions of 28 U.S.C. § 636(c) and Federal Rule of Civil Procedure 73, you are hereby notified that the United States magistrate judges of this district court may, upon your consent, conduct any or all proceedings in this case, including a jury trial and entry of a final judgment. If you consent, any appeal from a judgment entered by a magistrate judge shall be taken directly to the United States Court of Appeals for this judicial circuit in the same manner as an appeal from any other judgment of a district court.

Magistrate judges have greater flexibility in their schedules than district judges, who have heavy criminal caseloads that take priority over civil trials. Accordingly, the magistrate judges are generally able to schedule prisoner civil rights cases for jury trial much sooner, and they are able to provide firm trial dates. Magistrate judges are experienced trial judges who handle a great number of prisoner civil rights cases.

Your decision to consent to the dispositive jurisdiction of a United States magistrate is entirely voluntary. If you do not consent to a magistrate judge, the case will be randomly assigned to a district judge. The magistrate judge already assigned to this case would continue to decide all pretrial matters and would handle all dispositive motions by report and recommendation.

Please check **ONE** box below to indicate whether you voluntarily consent to proceed with a United States magistrate judge or if you would instead prefer that the case be assigned to a district judge.

☒ I hereby voluntarily consent to the United States magistrate judge conducting all proceedings in this case, including entry of a final judgment and all post-judgment matters.

☐ I request that this case be assigned to a district judge.
